

## Data Privacy Protection for our Website

We want to inform you which personal data we retrieve when you visit our website. Furthermore we want to explain for which purpose we need this data and how we process them. The legal base is the EU **General Data Protection Regulation (GDPR)** valid from 25.05.2018.

To visit our homepage, no input of personal data is required. In case you should use our direct e-mail links, your e-mail address is visible for the addressed person. By this, you agree to the preliminary use and storage of your personal data for the purpose of contact. If no contract is concluded or no further communication is requested, your data are deleted.

In any case, data submitted on voluntary base, will solely be used for initiating contracts or provide information. The data will not be disclosed or passed to third parties.

According to GDPR you have several personal rights, which we respect anyway:

- **Information:** This Data Privacy Declaration provides the required information and explanations.
- **Correction: Although we do not store personal data,** you can request us to correct wrong data.
- **Cancellation:** You can request us to delete your data.
- **Limitation of further processing:** You can request us, to no longer use your data actively, once you have doubts about the integrity.
- **Right for Protest against our legitimate interests:** If, in your specific case, your individual interests prevail ours, you can contradict to further processing of your data.

We inform you that the data of our website are stored on the server of the Bank Avangard in Moscow, Russia.

## Cookies

Cookies are small text files, which are stored on the hard disk of your computer. They are helpful in various cases to enhance the comfort during use and to adopt the contents to the user's preferences.

Most Browsers automatically accept cookies. You can avoid the use of cookies by setting the "use of cookies" option to "no". You can also set the browser to the option to "always ask before allow". Finally you can delete all cookies after use. The procedures are available in the manual of the individual browsers. Please be aware that the settings are only valid for the device and the browser they were set on. Also be informed that with switching off the cookies the web site may no longer work in some respects.

There are different types of cookies available with different properties. We only apply session cookies. Those are not critical with regard to privacy. The main purpose is to facilitate the use of the site and to enhance the comfort. Basis for the use is § 6 (1f) of GDPR.

## **Information collected when using the Website**

With normal use of our homepage the following data are retrieved. They are used for submitting the web based information.

**Date and time:** This is required for tracing back technical problems.

**IP-Address:** This essential for the server to send the information to the correct IP-address.

**Requested Data:** This is used to address the correct file as requested.

**Port of the request:** This is required to feed back the information to the correct port.

## **Statistical Evaluation of Usage**

We do not apply any statistical evaluation for the users and the corresponding data.
